JUDGE HARGIS ON THE STAND.

Principal in Famous Trial First Witness for the Defense.

Lexington, Ky., April 26.—Judge Jas. Hargis, on trial for the murder of James Cockrill, today took the stand as the first witness for the defense, the state having closed yesterday.

The court room was crowded and the excitement was intense, Judge Hargis having been charged with being the chief conspirator in the tragedy. After the preliminary questions as to his birth, parentage, and education, the Cockrill killing was taken up. He entered a general denial of the statements made by the commonwealth's witnesses. He said that he felt bitter toward Tom Cockrill because Cockrill had killed his brother, Ben Hargis. He made the further sensational statement that he had stated openly he would furnish any amount of money necessary to defend any man who should kill him. He said he had no feeling against James Cockrill and Cockrill's father was a close friend. He denied "Anse" White's statement that he (White) had been requested by Hargis to take the stand in the court house during Tom Cockrill's trial and when a pre-arranged disturbance occurred started to kill five men among them James Cockrill.

Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed, 50c and \$1.00 bottles at all drug stores. Trial bottle free.

RAIDING LOTTERY AGENCIES.

United States Authorities Arrest a Number of Employees.

San Francisco, April 26.—Acting under instructions from Washington federal officers today began what is declared to be an active campaign against lottery companies. Officers connected with the United States marshal's office, secret service officials raided the agencies of the Honduras and Mexican lotteries and surprised the employees in the act of handling a large quantity of tickets. Papers and packages also were secured as evidence. A number of employees were arrested.

Postoffice Inspector Monroe said: "I can only say in general that I am working and information obtained by the department was from inspectors in San Antonio, in Colorado and in Louisiana, where these tickets are brought in from Honduras and from Mexico. Raids already have been made in Los Angeles and other points. All the complaints so far have charged the arresting parties with violating the interstate commerce law, which makes it a felony punishable with two years' imprisonment to send lottery tickets from one state to another.

Men Past Sixty in Danger.

More than half of mankind over sixty years of age suffer from kidney and bladder disorders, usually enlargement of prostate gland. This is both painful and dangerous, and Foley's Kidney Cure should be taken at the first sign of danger, as it corrects irregularities and has cured many old men of this disease. Mr. Rodney Burnett, Rock Port, Mo., writes: "I suffered with enlarged prostate gland and kidney trouble for years and after taking two bottles of Foley's Kidney Cure I feel better than I have for twenty years, although I am now 91 years old." Sold by J. W. McCollum & Co.

KISSING MOST DANGEROUS.

St. Louis Health Commissioner Warns Consumptives.

St. Louis, April 26.—Dr. James H. Simon, health commissioner of St. Louis, has drafted a set of rules for consumptives, in which he emphasizes the danger of kissing.

"The disease may be communicated by kissing probably easier than any other means, and parents should be careful in allowing strangers to kiss their children," he says.

Another rule is that consumptives should always be smooth-shaven, as the beard retains the germs from the sputum.

"These are merely suggestions," Dr. Simon said, "and of course could not be enforced by ordinances."

Will Interest Many.

Every person should know that good health is impossible if the kidneys are deranged. Foley's Kidney Cure will cure kidney and bladder disease in every form, and will build up and strengthen those organs so they will perform their functions properly. No danger of Bright's disease or diabetes if Foley's Kidney Cure is taken in time. Sold by J. W. McCollum & Co.

HARMONIZE FINANCIAL INTEREST

Understanding Has Been Reached Between Railroad Magnates.

New York, April 26.—A harmonization of powerful and recently antagonistic interests in the financial world has been accomplished says the Times today, which probably will check the ambitions of certain Pacific railroad interests. It is learned from excellent sources, the paper continues, that an understanding has been reached by the so-called Rockefeller interests, the Morgan interests and the Hill interests which the holdings of Union Pacific stock of these men and their friends will be voted as a unit for purposes of deciding all questions affecting not only this property, but its relations to other railroads as well, and that as a consequence of such understanding it is probable that the proposed \$100,000,000 issue of preferred stock of the Union Pacific may not be authorized at the meeting which is to be held on May 5, at Salt Lake City.

All the men directly concerned in the matter decline to talk about it for publication or to make any direct statement.

Hop Men Form Combine.

Portland, Ore., April 26.—Hop men from all sections of this state have gathered in this city to attend a meeting today for the purpose of forming a combination of holders pledged to withdraw their hops from the market for 60 days or until the price may be fixed at 30 cents. It is said about 50 per cent of the hops remaining unsold in the state will be represented.

Life a Burden

There are times when life seems a burden—when you are tired, worn-out, have dull pains in the head and a continual feeling of uneasiness. You have no appetite, and your digestion is poor; your sleep broken, and you get no rest.

Little annoyances seem great mountains of trouble, and you are blue, melancholy and given over to gloomy forebodings.

This means low vitality—exhausted brain nerves.

For this condition Dr. Miles' Restorative Nervine is a specific; it is a food for the nerves. It builds up the nervous system, and restores lost energy.

Try it to-day and see if your sleep is not sound and refreshing, and the morrow brighter and more hopeful.

"I am glad to announce that I have recovered my health as far as my advanced age will permit, as I am 82 years old. My case was very bad; my nerves were all shattered. I suffered much pain and coldness, was so weak and felt so sad and lonely and heart-broken. When I commenced taking Dr. Miles' Restorative Nervine I was completely prostrated. I have taken the Restorative Nervine Heart Cure and Nerve and Liver Pills, and they cured me." MRS. E. C. HAWLEY, Waterloo, Ind.

Dr. Miles' Nervine is sold by your druggist, who will guarantee that the first bottle will benefit. If it fails, he will refund your money.
